

LUFTERFRISCHER | AIR FRESHENER
DÉSODORISANT | LUCHTVERFRISSE

Wellments natural cosmetics has selected the unique fragrance of mandarin, cinnamon and cloves based on essential oils for this spicy air-freshener. The decorative TANGERINE & SPICES air-freshener brings a sultry fragrance to every room in your home. The wooden sticks absorb the liquid from the bottle and diffuse the aroma through the entire room.

Instructions for use

Remove the cork stopper, taking care whilst unscrewing, and place the sticks in the bottle. Add or remove sticks to vary the intensity of aroma. From time to time turn the sticks upside down to renew the fragrance. The aroma will last for a period of approximately 4 weeks at room temperature.

Additional information
